

Joiner/On Site Handrail Installer

Haldane (UK) Ltd are looking to recruit a time served Joiner/On site Handrail Installer

Haldane (UK) Ltd are a Bespoke Architectural Joinery company, based in Glenrothes. We work on many prestigious projects throughout the UK. For information on Haldane (UK) Ltd and to see the type of work you will be both making and installing, please visit www.haldaneuk.com.

We are looking for a dynamic, enthusiastic, and self-motivated person to join our team.

The successful candidate will be capable of the following:

Requirements

- Time served.
- CSCS Card.
- High level of hand skills.
- Be able to work on own initiative and as part of a team.
- Problem solving skills essential.
- Flexible approach to working hours (night works & weekend works may be required)
- Willing to travel/work across the United Kingdom.
- Full UK driving license required.

Desirable but not essential

- Ability to understand technical drawings and construction drawings.

You will be required to

- Assemble bespoke joinery components into a high-quality finished product.
- Use and maintain hand tools and power tools and associated equipment to a high standard.
- Carry out work to all current and relevant building regulations, quality standards and work instructions.
- Work in both domestic and commercial environments.
- Prepare the work site or workshop ready for the work and select materials and tools appropriate to the project.
- Work in compliance with occupational health, safety and environmental requirements to ensure the health, safety and wellbeing of others at all times.
- Work to the construction programme, adapting to changes in schedule and requirements where necessary.
- Report, in a timely manner, any non-compliances against the construction programme to the appropriate person.
- Receive, unload, move and lift materials to site for installation, following good handling practices preventing injury or damage.
- Carry out site alterations/modifications.
- Always maintain a clear and safe worksite, disposing of waste appropriately and sustainably. Keep a tidy work area and leave installs clean and dust free.
- Carry out continuous professional development to maintain knowledge of current and future developments affecting the role.

Salary: Competitive (DOE)

Hours of Work: Factory hours: Mon -Thurs 7:30am – 4:30pm, Fri 7:30am – 12.30pm, although must be flexible to work varied hours on site.

Benefits: Bonus Scheme, Employee Life Insurance, Competitive Holidays, Employee Parking, Team Environment.
